

Dear Parents, Teachers, and Caregivers,

The members of the SV-PTO would like to invite you to join PTO. The PTO meets on the 4th Monday of the month at 6:00 PM in the elementary library. The first meeting will be Monday, September 25th. We are in need of new members to continue the activities the PTO supports and to produce new ideas. Any time you can give would be appreciated.

Perhaps you don't have time to give, but would consider a monetary donation to SV-PTO? If so, please indicate on the attached volunteer list. **Please fill out the volunteer list (found on the back of this letter) and return to your child's teacher by Friday, October 6th.**

Here are some of the activities the SV-PTO participates in:

1. Buy prizes for the AR cabinet and books for the Elementary Birthday Cart
2. Pay for the refreshments and DJ for the 2 junior high dances
3. Purchase the items for Santa's Cottage
4. Purchase items for the school, such as playground equipment, and items for the elementary library

Starting Monday, September 25th, the SV-PTO will start our Box Top Drive. We will continue this until Friday, October 20th, for a November 1<sup>st</sup> submission date. The PTO will place a large plastic bag in each K-5 classroom for collection. There is also a plastic container on the table by the elementary doors for your continued donations throughout the school year. We receive 10¢ for each Box Top. They do add up! Our goal this year is to submit over \$1000 in Box Tops. We will send in another submission on March 1, 2018. If you have time and wish to clip and package them yourself, please put up to 50 individual Box Tops in a small snack size zip plastic bag. Bonus Box Tops have to be grouped and submitted together, separate from the single Box Tops. If you do not want to clip Box Tops, you can download the Box Tops app on your mobile device and submit Box Top items from your store receipts for our school to get points. Check it out!

We are also collecting Campbell's UPC points only through December 31, 2017, due to the "Campbell's Labels for Education" program ending. We are also collecting Tyson labels. For a list of participating products, coupons, and more information, please visit [BTFE.com](http://BTFE.com) (Box Tops), [labelsforeducation.com](http://labelsforeducation.com) (Campbell's), and [ProjectAplus/tyson.com](http://ProjectAplus/tyson.com) (Tyson.)

Thank you again for your support! Together we can make a better school for our children!

Like us on Facebook at "S-V PTO" to keep up with our activities.
